

Bridge Breast Network
ANNUAL GALA
A Night to Remember
Denim & Diamonds
November 7, 2026

Dear Potential Donor,

For 34 years, The Bridge Breast Network has ensured that no one is denied access to life-saving breast health services due to lack of insurance or financial hardship. Through partnerships with more than 300 medical providers and 200 community partners across 28 counties in North Texas, we continue to remove barriers to care and provide screening, diagnostic services, treatment, and survivorship care.

We invite you to join us for our Annual Gala, *A Night to Remember — Denim & Diamonds*, on November 7, 2026. This signature event brings together healthcare leaders, corporate partners, survivors, and advocates in a shared commitment to expanding access to compassionate, life-saving care.

With a goal of raising more than \$100,000, this year's gala will directly support early detection, treatment, and survivorship services for low-income, uninsured, and underinsured individuals across North Texas.

We hope you will partner with us to help ensure that more individuals receive timely, high-quality care — regardless of their ability to pay.

Together, we can continue building a bridge to hope, healing, and access.

With gratitude,

Gina Robinson
Interim Executive Director

Annual Gala Overview & Impact

About The Bridge Breast Network

For 34 years, The Bridge Breast Network has ensured that no one is denied access to life-saving breast health services due to lack of insurance or financial hardship. Through partnerships with 300+ medical providers and 200 community partners across 28 North Texas counties, Bridge Breast Network provides screening, diagnostic services, treatment, and survivorship care to those who need it most. For every dollar donated, clients receive nearly 10 times that amount in medical care through our generous medical community partners.

About the Gala

A *Night to Remember – Denim & Diamonds* is a fun evening featuring dinner, auctions, dancing, inspiring client stories, and powerful speakers. The event brings together healthcare leaders, corporate partners, survivors, and advocates in support of compassionate, life-saving care.

This year's gala aims to raise over \$100,000 to expand access to early detection, diagnostics, treatment, and survivorship services for uninsured and underinsured individuals across North Texas.

Why Sponsor?

Connect with 250 expected guests, including healthcare leaders, corporate executives, medical partners, and community advocates. Last year's gala welcomed 206 attendees, and with expanded corporate outreach and a dedicated planning committee, we anticipate significant growth in 2026.

Sponsors receive meaningful brand visibility across event materials and exposure to 1,500+ email subscribers and 1,200+ social media followers.

Every dollar donated generates nearly 10 times its value in medical care – creating measurable impact across North Texas.
